

Class Management

- Share class objectives
- Consider pace of each component in class
- Create inclusive, respectful + safe environment
- tests can show common learning outcomes

Culture Considerations

- make cultural connections + references
- focus on different backgrounds
- cultural presentation

Feedback

- timely, relevant feedback (asap)
- respectful of needs of students + their abilities

Balancing Fun + Formal

- competitive online games (Kahoot, Socratic, etc.)
- consider the cultural context (ie. role playing)
