Friday evening is an engaging evening workshop focusing on teacher knowledge and practices, with a lesson/activity 'swap shop', a book exchange, and a fun ELT-focused pub quiz in the newly renovated campus lounge.

Saturday includes Keynote addresses by Dr. Paula Kristmanson (UNB), Carolyn Whiteway (ARAISA), and Brian Hotson (SMU). There are also sessions and workshops by members of the TESL NS community, lunch, the TESL NS AGM, and more!

As always, there will be lots of opportunities for networking and connecting with fellow members of the English-teaching community.
